Rating Action: Moody's Ratings assigns Aaa ratings to Temasek's proposed offshore CNY notes

21 Aug 2024

Singapore, August 21, 2024 -- Moody's Ratings (Moody's) has today assigned Aaa ratings to the proposed 10-year and 30-year offshore CNY denominated senior unsecured notes to be issued by Temasek Financial (I) Limited, a wholly-owned financing subsidiary of Temasek Holdings (Private) Limited (Temasek, Aaa stable).

These notes are issued pursuant to Temasek Financial (I) Limited's \$25 billion guaranteed global medium-term note (MTN) program rated (P)Aaa, and are irrevocably and unconditionally guaranteed by Temasek. The proceeds will be used by Temasek and its investment holding companies to fund their ordinary course of business.

The outlook on the ratings is stable.

"Temasek's Aaa rating reflects its strong fundamental credit quality as an investment company, supported by steady dividend income and a large and high-quality investment portfolio. In addition, Temasek's largest investee companies and major dividend contributors have strong investment-grade credit qualities," says Rachel Chua, a Moody's Ratings Vice President and Senior Analyst.

RATINGS RATIONALE

Temasek is an investment company and does not guarantee the financial obligations of its portfolio companies. We only assessed the parent, its investment holding companies and special purpose funding vehicles in assigning the ratings. On this basis, Temasek continues to maintain a net cash position as of March 2024.

We expect the company to maintain a conservative financial profile over the next 12-18 months, with the net debt to market value of its portfolio assets (excluding cash) remaining below 5% and funds from operations (FFO) interest coverage above 15x.

The Aaa rating is also anchored by Temasek's excellent liquidity. We expect the company to maintain a sizeable reserve of cash and liquid securities, which provide

for strong debt service coverage to mitigate potential volatility in cash flow and asset value.

As a government-related issuer, Temasek's ratings benefit from its 100% ownership by the Government of Singapore through the Minister for Finance, although currently its Baseline Credit Assessment (BCA) – the measure of its standalone credit quality -- is also positioned at aaa.

The stable outlook reflects our expectation that Temasek's credit metrics will remain strong and the company's management will retain its prudent and conservative approach to its investment and funding strategies.

FACTORS THAT COULD LEAD TO AN UPGRADE OR DOWNGRADE OF THE RATINGS

The rating is Aaa and cannot be upgraded.

Temasek has a BCA of aaa. Should the company's underlying credit fundamentals deteriorate, and its BCA is downgraded, our Joint Default Analysis framework would become relevant to the rating analysis.

We could downgrade Temasek's BCA if (1) the company undertakes aggressive investments that significantly worsen the credit quality of its investment portfolio; (2) the amount and quality of the company's cash and near-cash resources deteriorate significantly; or (3) there are indications of moral hazard behavior, such as providing funding support for nonperforming investee companies or channeling financial resources to its government shareholder, that could have an adverse impact on Temasek's financial position.

The methodologies used in these ratings were Investment Holding Companies and Conglomerates published in April 2023 and available at <https://ratings.moodys.com/rmc-documents/401316>, and Government-Related Issuers methodology published in January 2024 and available at <https://ratings.moodys.com/rmc-documents/406502>. Alternatively, please see the Rating Methodologies page on <https://ratings.moodys.com> for a copy of these methodologies.

Temasek is an investment company based in Singapore. It is 100% owned by the Government of Singapore through the Minister for Finance (MOF), a body corporate under the Singapore Minister for Finance (Incorporation) Act 1959.
